# Employee of the Month

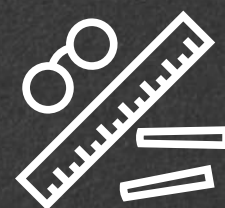

Quote from Aliceson Nobles, principal at  
Barnett Shoals Elementary:

"Mr. Brownlee is a Champion for our Barnett  
Shoals scholars!"

He masterfully creates an environment where  
high expectations are the norm for all of his  
scholars, and he makes it his mission to  
connect with scholars beyond the classroom.

As a product of CCSD, he uses the love and  
pride that he has for this community to fuel  
the passion he has for teaching scholars and  
collaborating with colleagues.

Mr. Brownlee's service to our school and  
community certainly makes him worthy of  
being honored as a recipient of CCSD's  
Employee of the Month award."

# January 2021 Employee of the Month

"As a resource teacher, I go into many classrooms, and I can say **David Brownlee is one of the most dedicated, outstanding, positive teachers I have ever seen.**

He's built an incredible community (no, family!) of learners in a challenging virtual setting. As a teacher in a collaborative classroom, he treats each student with amazing care and equity. **Mr. Brownlee challenges his students to be the best people they can be -- to grow and set goals.** Every student in his class feels like they have a family and support at school. Mr. Brownlee welcomes every teacher into his classroom in a truly collaborative way. He pours his heart and soul into his students, and the result is unbelievable!

He makes me feel like I am a part of his class community. **Mr. Brownlee is a true team player and leader within Barnett Shoals."**
