**Course Overview**

Welcome to English II, a survey of World Literature for the sophomore. In alignment with the Common Core Georgia Performance Standards (CCGPS), students will learn to develop their reading, writing, listening, viewing, and speaking skills by way of various texts and strategies. Students will also review English grammar, improve essay form and writing skills, and increase their vocabulary usage. My goal is not only to help students develop their understanding of the content covered over the course of the year, but also to foster an enjoyment for Language Arts. It is therefore essential that students maintain a healthy, conducive attitude towards learning and become positive and willing contributors to the class. Let's make this a great year!

**Academic Requirements**

### **Cheating**

**All forms of cheating are forbidden at Stockbridge High School and will result in a grade of zero "0".** Plagiarism and cheating include the following:

- Copying work or answers from other students
- Copying verbatim (word for word) from a book or any source without using quotations and giving credit in correct MLA format. This includes substituting synonyms or rearranging words
- Citing sources incorrectly or neglecting to include citations or a works cited page
- Copying ideas of another and presenting them as your own
- Using work completed by anyone else
- Allowing another student to "borrow" work and presenting it as his or her own

***Cheating and plagiarism involve serious consequences in any academic environment!***

*\*Students are required to submit all essays to Turnitin.com prior to grading.*

### **Behavioral Expectations/Virtual Etiquette**

- Attendance will be taken daily within the first five minutes of class. Arrive a few minutes early so you will be ready when class begins.
- Turn your camera on once class begins.
- Mute your mic unless you are speaking to the class.
- Be mindful of your attire (adhere to the SHS dress code)
- Cameras should be directed toward an area with few distractions (no cameras in bed or in the bathroom).
- It is my expectation that each student will respect and follow the classroom and school rules explained in the SHS student handbook. Failure to comply with these rules will result in a conduct grade of "N"- Not Satisfactory on your report card.

**Please observe the following:**

- The only edible/consumable item allowed in this classroom is water. Keep all others in your bag.
- Cell phones, iPods, headphones, and all other electronics must be kept away or they will be confiscated.

- The school dress code will be enforced at all times. Hats and hoods are not to be worn in the building. Skirts and tops must be of the appropriate length. Pants must be worn around the waist.
- Sleeping in class is not permitted.
- Profanity is forbidden in the classroom and will result in a disciplinary referral.

\*Read your student handbook. It will inform you of school and county expectations.

### **Homework Policy**

Homework does not simply require students to complete reading and/or writing assignments. This may also include studying for a test, planning ahead for a project, or reviewing notes from class that day. The purpose of homework is to reinforce the objectives and goals that are presented in class each day and to prepare students for upcoming assessments which will ultimately strengthen their understanding of the content. **Homework is graded for completion as well as accuracy. All homework is due at the beginning of the class and should be a reflection of a student's best effort.** It is therefore encouraged that students take the necessary time to prepare at home in order for homework to be most beneficial.

### **Late Work**

The Henry County late work policy will be adhered to. Please note that assignments will not be accepted beyond the conclusion of each unit.

### **Make-up Work**

After an absence, it is the student's responsibility to keep up with all assignments missed. Students should arrange to make up missed work upon returning from an absence. Quizzes and tests can also be rescheduled upon returning to school, provided that the absence is **excused**. If a student is in class and refuses to complete an activity/assignment to demonstrate mastery, the activity/assignment will result in a grade of a zero. If the student skips a class, the assignment will result in a grade of a zero.

**Final Regards-** If there is a circumstance that will hinder a student's progress in the class, I require that his/her parents contact me to best meet the issue. E-mail is the best way to contact me and I will respond promptly with an email or phone call.

**Let's make this a Fantastic Semester!!!**
