

Dear Parents and Students,

The Economics End of Course Test (EOCT) will be given on **Tuesday, May 8th**. This test will cover material from the entire year of Biology. **The test is 15% of their Course Final Average for Economics and must be taken to receive credit for this course. Attendance is required.** The test will cover the following domains.

Content Domain I: Fundamentals of Economics  
Content Domain II: Microeconomics  
Content Domain III: Macroeconomics

Content Domain IV: International Business  
Content Domain V: Personal Finance

Below is a list of several good study tools provided by the Georgia Department of Education that if used, will increase your child's success on this test. The Social Studies Department will also require the students to complete a study guide later this semester as well as several assignments using an internet site called USAtestprep. The instructions on how to use USAtestprep are found on the following page.
