Dear Parent or Guardian:

The purpose of this letter is to inform you that Georgia Milestones End of Grade (EOG) state testing in Georgia has **not** been waived this year, and the Clayton County Public School District is required to offer the assessments to all students in grades 3 through 8 and test as many students as possible. The Georgia Milestones EOG assessments **test cannot be given remotely and must be given in a face-to-face environment.**

However, State Superintendent Woods announced in March that he wants to ensure that no virtual students are required to attend school solely to test if they do not feel comfortable due to the COVID-19 Pandemic. With that said, Clayton County Public Schools values the purpose of testing. They are:

- The Milestones Assessment is a metric used to gauge learning.
- The Milestones Assessment helps pinpoint areas for improvement.
- The Milestones Assessment can help schools evaluate progress.
- The Milestones Assessment can help the school system plan for and provide resources.

**If your child continues with *at-home remote learning*, but you want your child to participate in the Georgia Milestones Assessments, you will need to:**

1. Register to test using the link for your grade level **no later than March 31, 2021.**
