

Hola,

Lo mejor sitio gratis que he descubrido es www.esllab.com

1) Se tiene que hacer clic "Here" para entrar

2) Entonces, un poco bajo, se ve muchos archivos de niveles facil (easy) medium y dificil. Tus estudiantes deben tratar estos de la seccion facil (easy):

Answering Machine, Apartments for Rent, Business Communications, College Life, Daily Schedule, DVD Movie Rentals, Eyeglasses for You, Talking about Families, First Date, Heavenly Pies Restaurant, Where are You From, What a Busy Day, Getting Around by Train, So What's the Matter?

3) Despues de hacer clic en un archivo, la nueva pagina tiene otros links **arribas**. "Text Completion Quiz" es perfecto para recién llegados. Se tiene que llenar los blancos a la grabacion pero se puede ver las respuestas de usar el boton "Show Score" al derecha.

4) Tambien puedes usar el link "Listening Exercises (Ejercicios)." Es importante recordar que

Que = What Como = how Quien = who

Donde = where Cuanto = how much Cuando = when
