Dear Parents/Guardians:

The St. Johns County School District's high schools will be administering the PSAT/NMQST test to all 10th grade students (in Eng 2 for the first time), free of charge, on October 12, 2022. All students in 9th and 11th grades have the opportunity to take the PSAT as well; however, they will be charged a fee of \$22.00 by their schools to receive their test scores.

Although the test is geared toward 10<sup>th</sup> graders, there are many other reasons students in other grades would want to consider taking the test. Listed below are some reasons why your student should consider taking the PSAT/NMQST:

- PSAT math score can be used as a concordant score for the Algebra 1 EOC
- Grade 10 pre-college testing provides a basis to increase college participation.
- The PSAT is an indicator for performance on the SAT.
- PSAT includes verbal, mathematics, and writing components; it is used as a diagnostic tool to measure strengths and weaknesses for both students and curriculum.
- The PSAT helps assess academic skills necessary for college-level work.

Any 9th or 11<sup>th</sup> grade parent that that wants your student to take the PSAT/NMQST test on October 12<sup>th</sup> must sign this letter and have the student return it to Mrs. Zapata in the Media Center with payment of \$22 made on Schoolpay at <a href="https://www.schoolpay.com/pay/for/PSAT-Fee--">https://www.schoolpay.com/pay/for/PSAT-Fee--</a>
10122022/Se0NFR3, no later than Friday, September 16<sup>th</sup>, 2022.

Sincerely,
