

Frequently Asked Questions

- **What is the Clayton County Public Schools (CCPS) Campus Portal?**

The CCPS Campus Portal is a confidential and secure website that allows parents/guardians to log in and view their child's progress in school. The goal of the Campus Portal is to create a better partnership between parents and teachers.

- **How secure is the information contained in the Portal?**

The Campus Portal incorporates the highest level of security. Parents/guardians can see only information related to the students they are authorized to view. The use of strong passwords, forced password resets and session timeouts ensure secure access.

- **Do I need special software installed on my computer?**

To effectively access your Campus Portal account, you will need:

Internet Access: A high-speed internet connection (cable or DSL) is recommended.

Adobe Reader: This is a free document reader available for download on the web at <http://get.adobe.com/reader>

- **What if I do not see all of my children when I login to the Campus Portal?**

Contact your child's school to have the child properly linked to your household.

- **Who can access the Campus Portal?**

Only parents and guardians designated with legal rights to student records may receive a Campus Portal account. Each parent/guardian, with such rights, will receive their own separate account. Accounts are NOT shared.

- **Where do I find my child's daily grades?**

To view daily grades (homework, classwork, tests, etc.), click the "Schedule" link on the left. Then click the course number/course name link to see grades.

- **How do I create a user account so I can use the Campus Portal?**

You will need to retrieve an activation code before you can create a username and password at

https://sis.clayton.k12.ga.us/campus//K12_Custom/cParent/index.jsp?appName=clayton. Enter requested information for one child within your household.
