Brian Green, D’Niessa Slocum, and Zachary Strom, Assistant Principals

Dear Parent/Guardian,

The Florida Assessment of Student Thinking (FAST) is a progress monitoring system that is administered three times per year to track your student’s progress in learning the Benchmarks of Excellent Student Thinking (B.E.S.T.) Standards throughout this school year. The purpose of this letter is to inform you that your student will participate in the third administration (PM3) of the Florida Assessment of Student Thinking (FAST) on the following dates:

<b>GRADE LEVEL</b>	<b>ASSESSMENT</b>	<b>DATE ADMINISTERED</b>
3 <sup>rd</sup> Grade	Reading	May 1 <sup>st</sup>
3 <sup>rd</sup> Grade	Math	May 8 <sup>th</sup>
4 <sup>th</sup> Grade	Reading	May 2 <sup>nd</sup>
4 <sup>th</sup> Grade	Math	May 9 <sup>th</sup>
5 <sup>th</sup> Grade	Reading	May 5 <sup>th</sup>
5 <sup>th</sup> Grade	Math	May 12 <sup>th</sup>
5 <sup>th</sup> Grade	Science	May 15 <sup>th</sup> & May 16 <sup>th</sup>
Middle School	ELA	May 4 <sup>th</sup>
Middle School	Math	May 11 <sup>th</sup>
8 <sup>th</sup> Grade	Science	May 15 <sup>th</sup>
Middle School	Algebra & Geometry EOC	May 18 <sup>th</sup>
Middle School	Civics EOC	May 1 <sup>st</sup>

The results from PM3 will show how well your student has mastered the grade level content standards. You may access results online through the Family Portal at <https://fl-familyportal.cambiumast.com/>. To log into the portal, you will need a unique 6-digit access code that can be found in HAC under the registration tab. It will be labeled as the statewide assessment access code. This code will consist of letters and numbers and is not the student ID number. The state will try to have scores posted within one week of testing.

Your student’s FAST assessments are computer-adaptive tests taken on a computer or tablet. The questions get less or more difficult depending on how a student responds, and each student will see different questions from a common item bank. Each test attempt (PM1, PM2, and PM3) will present items that cover the entire test “blueprint,” meaning students will encounter items representative of the standards within the subject or grade level. For more information on the test design, please visit <https://www.fldoe.org/accountability/assessments/k-12-student-assessment/best/>. If you or your student would like to interact with the online testing platform or review FAST items at home, sample test materials are available at <https://flfast.org/families.html>.

Please review the following policies with your student before testing:

- **Electronic Devices**—Students are not permitted to have any electronic devices, including, but not limited to, cell phones, smartphones, and smartwatches, at any time during testing **or** during breaks (e.g., restroom), **even if the devices are turned off or students do not use them.** If your student is found with an electronic device or is found using Bluetooth/wireless headphones/earbuds during testing, his or her test will be invalidated.
- **Testing Rules Acknowledgment**—All tests include a Testing Rules Acknowledgment that reads: “I understand the testing rules that were just read to me. If I do not follow these rules, my test score may be invalidated.” Prior to testing, test administrators read the rules to students, and students acknowledge that they understand the testing rules by clicking the box in the secure browser indicating they understand the testing rules.
- **Discussing Test Content after Testing**—The last portion of the testing rules read to students before they click the box to accept the Testing Rules Acknowledgment states that because the content of all statewide assessments is secure, students may not discuss or reveal details about the test content (including test items and passages) after the test. This includes any type of electronic communication, such as texting, emailing, or posting to social media sites. Please make sure your student understands this policy prior to testing and remind them that “discussing” test content includes any kind of electronic communication, such as texting, emailing, posting to social media, or sharing online. **While students may not share information about secure test content after testing, this policy is not intended to prevent students from discussing their testing experiences with their parents/families.**
- **Working Independently**—Students are responsible for doing their own work during the test and for protecting their answers from being seen by others. If students are caught cheating during testing, their tests will be invalidated.
- **Calculator Policy**—For Grades 7–8 FAST Mathematics assessments, approved handheld scientific calculators will be provided. For Grade 6 FAST Mathematics, a handheld four-function calculator will be provided.
- **Leaving Campus**—If your student leaves campus before completing a test (e.g., for lunch, an appointment), he or she **will not** be allowed to return to that test. If your student does not feel well on the day of testing, it may be best for him or her to wait and be tested on a make-up day. Please remember not to schedule appointments on testing days.

If you have any questions related to this test administration, you may contact Audra Wilson at [audra.wilson@stjohns.k12.fl.us](mailto:audra.wilson@stjohns.k12.fl.us) or 904-547-4223.

For more information about the FAST program, please visit the portal at [FLFAST.org](http://FLFAST.org).

Thank you for supporting your student and encouraging him or her to do his or her best during this test administration.

Sincerely,

Dr. Joy Reichenberg

Principal
