Newsletter-February 2015

From the Principal.....Robyn White

Congratulations to all students, parents, teachers and staff for WRHS earning the state's highest school grade ranking on an "A School" for the 4th year in a row. With almost 700 Advanced Placement Exams scheduled for this school year, hundreds more of our students earning on campus and off campus PHCC Dual Enrollment college credit, many of our students earning Industry Certifications in our IT Academy and Academy of Medical Professionals and certificates in our very popular Culinary Arts program, our students are leaving WRHS college or career ready. Even though WRHS is over crowded, we continue to maximize student success every day.

As February and March activities are planned, please continue to check our very informative website for important events. Also, WRHS is connected with Facebook, Twitter and there is a downloadable App on our website for students and parents to access and stay connected 24/7 with WRHS information. The class of 2015 senior activities are posted on the website and seniors should visit Scholarship Information located on our Guidance Page. Seniors and senior parents should be completing the FAFSA process as they start receiving acceptance letters to colleges. Seniors should also make sure they are meeting all graduation requirements and continue to have good grades and attendance to be eligible to attend prom, Grad Bash and the Senior Lock-in. Remember, these activities are privileges earned with good grades, attendance and behavior (no OSS) to be able to attend graduation events. Registration for the 2015-2016 school year starts soon. Please visit our course directory information on the front page of our website for information on classes offered. College bound students should try to take the most rigorous courses offered at WRHS. WRHS offers 23 Advanced Placement courses on campus, plus many on campus Dual Enrollment classes through PHCC. College bound juniors should start scheduling ACT and SAT tests for the spring dates. WRHS offers several SAT and ACT tests on campus during the year.

We appreciate our parent support. Contact WRHS @ 813-346-6000 or visit our website @ <http://wrhs.pasco.k12.fl.us>

Art schools from all around the world were there to critique the students' portfolios. There was also information on art career opportunities and scholarships.

The art department is very thankful for the Suncoast Art Fest 2015 Classroom Grant that will bring Technology to the art room and to the Pasco Education Foundation for the Creative Teaching Grant, which will supply needed materials for student art learning stations. Mentors/Safety Proctors

Wiregrass Ranch High School has been working non-stop to create and provide interventions to a population of our school that needs urgent attention. These are the students that are silent, not motivated and feel that life has pushed them aside. Many of them have no discipline issues at all but are failing classes.

I would like to call on the school community to offer help in volunteering for an one-on-one mentoring program. We are looking for adults that can serve as role models and that can commit to working with a student **to motivate, challenge and inspire them to do their best. They need someone that is going to believe in them and help them set goals.** Contact Ms. Vergne at 346-6000, if you would like to mentor a student.

In addition to mentors, our school is also looking for parents that would like to volunteer to become part of the supervision system on the grounds at WRHS. If you would like to be part of the safety proctor system, please contact Mrs. White at 813-346-6000. Safety proctors will conduct rounds every period at each of the proctor stations/areas and immediately report any risk and/or concerns to the appropriate officials. The safety proctors will work very closely with Discipline Instructional Assistants and administration. If interested in becoming a mentor and/or a safety proctor, please complete the volunteer application found at the Pasco County website and contact the school to express your interest.
