Valentine's Day Fun

On Monday, February 14th we will be passing out Valentines in our classroom! If you would like your child to participate in our exchange, please make sure your child has one valentine for each student in our classroom. Please address these at home before you come to school. A Valentine's letter with information including student names and how many students are in the class went home last week. You may also make a box at home to hold all your child's treats. We do have a peanut allergy, so please no peanuts! Please send these items in on Monday, February 14th.
