

CROC TALK

FEBRUARY 2021

FROM THE PRINCIPAL'S DESK

Dear Parents:

I hope everyone had a restful and relaxing Winter Break. As we move forward into the month of February many students and teachers have become experts at virtual learning. They have mastered the art of teaching and learning online. Thanks to the hard work of our school community, we could not be successful without you. We know that virtual learning does have its challenges, but we can truly say we are making the best of it. Our commitment to our students has not changed and teachers continue to master new technology skills to improve your child's learning experience. Please keep up the great work you have done so far with getting your children online and creating the best learning environment for them. Please work closely with the virtual classroom teacher and make sure your child attends each day and completes all of their assignments.

Also, please continue to let us know if your child is not feeling well and keep them home if they are sick. I know this is a trying time for everyone and appreciate the support of all our families and the Crystal Lake community

Ricky Carver

Kindergarten

Math

Science

THIS MONTH IN MATH WE WILL FINISH WORKING ON NUMBERS TO 20 AND START ADDITION!

THIS MONTH IN SCIENCE WE WILL BE LEARNING ABOUT MOTION!

ELA & Social Studies

THIS MONTH IN ELA WE WILL CONTINUE WORKING ON RELATIONSHIPS BETWEEN ILLUSTRATIONS & TEXT, NARRATIVE AND OPINION WRITING, AND COMPARING TWO TEXTS ON THE SAME TOPIC. IN SOCIAL STUDIES WE WILL BE LEARNING ABOUT U.S. SYMBOLS.

1st Grade

Love is in the air in First Grade!

ELA and Reading

This month we will be focusing on story elements. We will be comparing and contrasting the adventures of characters in our stories. We will be exploring different points of view as we celebrate Black History month and our past Presidents.

Math

In math we will be learning about place value, comparing numbers as well as, addition ,and subtraction within 100.

Science

We will be learning about the necessities of life in science.

Class News

We will be celebrating Valentine's Day on Friday, February 12th, to show how much we like our friends!

Don't forget we have no school on Monday, February 15th for President's Day.

Please check your child's planner and green folders each week for important information and their class work!

2nd Grade

February is here. Love is in the air in second grade. Second grade will be exchanging Valentines in their classroom. Students must have a valentine for each student if they are planning to pass any out. More information will come from your child's teacher. Thank for all your support.

ELA & Reading

Second grade will be focusing on how characters respond to major events, character's point of view, and opinion writing.

Science & Social Studies

WE WILL BE LEARNING ABOUT WEATHER, BLACK HISTORY MONTH, GOVERNMENT, AND PRESIDENT'S DAY.

Math

WE WILL BE FOCUSING ON REPRESENTING AND INTERPRETING DATA. PLEASE BE PRACTICING ADDITION AND SUBTRACTION FACTS DAILY. THIS IS VERY CRUCIAL.

3rd Grade

ELA & Reading

This month we will be reviewing main idea, relationships between a series of events, comparing two texts, topic, and text features.

Math

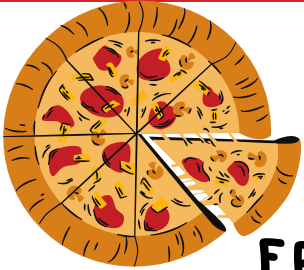

We will continue learning about fractions throughout February. Remember to keep practicing those multiplication facts.

Science & Social Studies

In Science we will continue learning about the Sun and Stars then we will study North America in Social Studies.

4th Grade

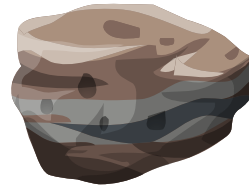

Math

**FRACTIONS ARE
KEEPING US BUSY!!
STUDY ISLAND IS A
GREAT RESOURCE FOR
PRACTICING MATH
SKILLS!**

Science

**4TH IS STARTING ROCKS,
MINERALS AND EROSION!
THIS IS A SUPER FUN
UNIT AND WE WILL DO
A LOT OF HANDS-ON
ACTIVITIES!**

ELA & Social Studies

**UNFORTUNATELY, WE WILL NOT BE ABLE TO FIELD TRIP
TO ST. AUGUSTINE BUT WE WILL BE DOING A UNIT
COVERING ALL OF THE HOT SPOTS! WE WILL ALSO BE
STARTING THE SEMINOLE WARS. ELA IS FOCUSING ON
OUR WRITING STANDARDS!**

5th Grade

Math

This month in Math we will begin adding and subtracting fractions. New for 5th Grade--Unlike denominators.

ELA & Social Studies

Students will continue learning about the causes of the American revolution. We are continuing to sharpen our grammar, spelling, and vocabulary skills through fun, interactive activities. We will also be celebrating black history month by researching African Americans who have made contributions to our great country.

Science

This month in Science we will finish learning about weather and how it happens. Mid-February we will begin a unit on Plants, Animals and the Environment.
