Dear Partin Families,

Happy Valentine's Day! This is the perfect time to share how much I appreciate all our students, staff, and families at Partin! I am so thankful for each one of you! I love our Partin students AND seeing our parents back on campus volunteering and having lunch at our new picnic tables!

Can you believe we have already completed 100 days of school? That's right, we have! What fun we had celebrating Literacy Week and the 100th day of school! Now, we have less than 80 days! Let's make the most of every moment! I hope that you all will be able to join us February 10th for STEM Night. The Orlando Science Center will be here with hands-on physical science activities AND our Book Fair will be open! After putting events like this on hold for two years, being able to gather together is extra special!

Also, now is the time to provide us with feedback on the Parent Snapshot Survey that is available from February 1st-March 4th. This is your chance to brag about Partin as well as give us feedback on how we can ensure that we continue to be the best school in Seminole County. The survey is quick and easy, with only three questions! Here is the link:
