FINANCIALS – FINANCIAL ACCOUNTING & REPORTING (FAR) PROCEDURES BEFORE FY22 CLOSING (CONT'D)		
✓	STEP	ACTION
	12	Generate the <i>CS-1 reports</i> and make the necessary corrections using the <i>Payroll Transfer of Gross Earnings</i> or <i>Add an Adjustment Record</i> functionality for salaries and benefits and the <i>Journal Entry</i> functionality for travel expenses. Reminder: You must generate an error free <i>CS-1 Expense Report</i> before closing . Remember that the <i>CS-1 Expense Report</i> is a cash basis report and must be adjusted for accruals. (F1, F9, F30)
	13	Generate all month-end reports as of 06/30/2022 . (F1, F9, F17)
	14	Generate the <i>List of Open Payables by Fund</i> (F1, F4, F1), <i>List of Open Receivables by Fund</i> (F1, F6, F9), and the <i>List of Open Purchase Orders by Account</i> (F1, F2, F9) reports as of 06/30/2022 , all of which total by Fund. Verify the totals by fund are in agreement with ALL applicable <i>Balance Sheet</i> accounts by fund on the <i>General Ledger</i> . ____ Verify the General Ledger's (G/L's) Cash on Hand (102) equals zero for each fund. ____ Verify the <i>Monthly Expenditure and Revenue Detail or Summary Report</i> totals equal the G/L's 602 and 302 Control accounts for each fund. ____ Compare the <i>Open Accounts Payable Report by Fund</i> and balance to the G/L's Payables accounts (421, 422, etc.) for each fund. ____ Compare the <i>Open Accounts Receivable Report by Fund</i> and balance to the G/L's Receivable accounts (141, 153, etc.) for each fund. ____ Compare the <i>Open Purchase Order Report by Account Number Sequence</i> and balance the totals with the G/L's Encumbrance accounts (603, 753) for each fund.
	15	Generate the <i>DE FORM 0396 Report</i> and eliminate any balance in <i>Fund 199</i> . PCGenesis does not allow the fiscal year closing when there is a <i>Fund 199</i> balance. (F1, F9, F17)
	16	Correct the account range(s) and print the <i>DE FORM 0396 Control File</i> , where appropriate.
	17	Modify the <i>DE FORM 0396 Control File</i> record, where appropriate. (F1, F9, F26, F8)
	18	Balance Fund 0199. The final total should be zero. Manual claims, receipts, and journal entries will be the reason that Fund 199 is out of balance. It is necessary to track down the manual entries and make sure that they have an offsetting entry. Every manual claim should have a negative claim or a receipt for the same amount.
	19	Transfer open purchase orders (PO's) to the new fiscal year (F1, F12, F27). PO's must be transferred before claims can be entered against an associated PO in the new year. Or, if you would prefer, you can cancel any open purchase orders and reenter them, if necessary, in the new fiscal year. <i>Note: This step must be done <u>immediately</u> before closing the fiscal year in order to ensure that new purchase orders are not created after completing Step 20 but before completing Step 22.</i>
	20	Create a backup and label as " <i>Before FY22 Year-End Close, MM/DD/CCYY</i> ". Save this backup for at least 7 years.
	21	Close the fiscal year. (F1, F9, F22)

FINANCIALS – FINANCIAL ACCOUNTING & REPORTING (FAR) PROCEDURES AFTER FY22 CLOSING		
✓	STEP	ACTION
	1	Retransmit the <i>DE FORM 0046</i> files (<i>D46B2201</i> , <i>D46B2301</i> , and <i>D46F2201</i>), and complete signoff.
	2	Clear the FY22 accruals in FY23 by canceling the claim or issuing a check. (F1, F3, F3) Note: Summer salary accruals for FY22 must be cleared in FY23 prior to September, 2022 to ensure that expenses are reported accurately to the audit department. <i>No journal entry is required.</i>
	3	Clear FY22 receivables in FY23 by closing the receivables or issuing receipts against them. (F1, F6, F3) <i>No journal entry is required.</i>
	4	Review the security access of all users set up in the PCGenesis system. The Audit Department requires that the PCGenesis System Administrator review the security authorizations for all users defined in PCGenesis at least once a year. Obtain sign-off for security from the system superintendent. (F30, F9, F4)
	5	Save the first daily backup, and label as “ <i>After FY22 Year-End Close, MM/DD/CCYY</i> ”. Save this backup for at least 7 years.
