PREPARING FOR TEST DAY

- ✓ Preparation is the best way to reduce test anxiety.
- ✓ Study over the course of a few days or weeks and continually review practice material. Do not try to learn everything the night before.
- ✓ Maintain a positive attitude while preparing for and during the test.
- ✓ Exercising a few days before the test will help reduce stress.
- ✓ Eat a well-balanced meal full of protein. Avoid sugary foods.
- ✓ Get a good night’s sleep before the test.
- ✓ Arrive 15 minutes early. Late arrivals are NOT permitted to test.
- ✓ Do not bring: large handbags, bookbags, food/drinks, hats, or cell phones.
