Social Media

➤ Things to know:

- Know your students log in and password and monitor activity
- Advise them to be selective of material that they post
- 26% of college admissions reps report to searching out applicants on social networking sites- this number is rising!
- Use social media to your advantage

Keys to Success

- Be organized and prepared
- Complete assignments
- Manage time well/study smart
- Attend school regularly and on time

PSAT

ALL 9th graders will take a free practice PSAT provided by Applerouth Tutoring, Inc. on Wed. October 10, 2018.

The PSAT is an exam that all students take in the sophomore year and is optional in the junior year.

Students who score well on the PSAT in their junior year can qualify for National Merit Scholarships.

The 9th grade practice PSAT is an excellent opportunity for students to experience this kind of standardized exam. Please make sure your child arrives promptly to school on October 10th to participate in this exam.

Work In Progress (WIP)

- 9th grade is the beginning of academic & extracurricular records that colleges will use for admissions decisions
- Be the best that you can be – raise the bar and don't be afraid to challenge yourself
- Have a plan of attack – think with the end in mind
- Get involved!!! Colleges are looking for students that get involved, demonstrate leadership and are well rounded individuals.
- Be realistic – Have balance; don't take on too much, too soon

As parents what signs should we be looking for??

- **Changes in behavior, diet, sleep patterns**
- **Change in attitudes (grades/friends/family)**
- **Social Media**
 - Plays a major role in young lives
 - Must be used responsibly
 - Monitor accounts & activity

Facilitating Student Success at LHS

We strive to empower students and maximize their success as a collaboration of counselors, teachers, students and parents.
