

THE FLORIDA STATE UNIVERSITY
COLLEGE OF ARTS & SCIENCES
Young Scholars Program

December 1, 2017

MEMORANDUM

TO: Florida High School Faculty, Counselors, and Principals

FROM: Dr. Erica Staehling, Barbara Shoplock, and Teresa Callahan
Co-Directors, 2018 Young Scholars Program
Office of Science Teaching Activities, Florida State University

RE: Information for the 2018 Florida State University Young Scholars Program

We are pleased to announce the release of applications to the 2018 Florida State University Young Scholars Program, a prestigious six-week residential summer science and mathematics experience for outstanding students of Florida's public and private high schools.

The application instructions and program information are available online.

2018 FSU Young Scholars Program Information
<http://www.bio.fsu.edu/ysp/>
Program Dates: *June 10 through July 21, 2018*
Application Deadline: *Postmarked by February 15, 2018 – No Exceptions!*

YSP continues to be accessible to **all** highly qualified students who meet the eligibility requirements detailed on the website. As in the past, room, board, and tuition are provided for every admitted student, funded by the Florida State University. Students with significant financial need may also apply for supplemental program stipend.

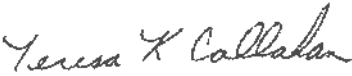

We are asking for your assistance in passing this information along to interested, qualified students and their parents. We have been most pleased with the quality and academic ability of past applicants and look forward to reviewing applications from your students, who will compete to participate in the 2018 program.

Should you have any questions or need further information about the 2018 Young Scholars Program, refer to the website or email us at ysp@bio.fsu.edu. Thank you for your assistance in making this opportunity available to your students.

Sincerely,

Erica M. Staehling
