

Fun Farmers Academy Summer Camp

For Kids: Kindergarten through 6th Grade

Cost: \$75 for one child, \$100 for two

Dates: June 3-6, 2013

Time: 8:30-4:00pm

Location: Locust Grove High School Agriculture Department (332)

Ages: Rising Kindergarten-6th grade

Do your kids love to play outside? Do they enjoy having fun with their friends and learning about plants and animals? Do they love water games? This summer camp is perfect for them! The Locust Grove High School FFA members have designed a camp that is just for kids who love to have fun! We have planned four days packed full of awesome activities to get them excited about agriculture! The registration fee includes lunch each day and a "Fun Farmers Academy" T-Shirt. They'll also get to bring home several of the things that they make throughout the four days.

We will plant a garden, make sidewalk chalk and use it to decorate the sidewalk, create a pizza from items harvested from the garden, play water games on our water day, hatch baby chickens, play relay games, tie-dye shirts, conduct science experiments, and make bird-feeders. We are going to do so many fun things that we don't have space to list them all on one sheet. If you'd like more information please feel free to contact LGHS FFA Advisor Abbey Brown at abbey.brown@henry.k12.ga.us.

We hope to see you this summer at our Fun Farmers Academy!

Teachers: If you will be attending post-planning and need to drop off your children before 8:30 and/or pick up after 4:00, please let us know. We will be happy to accommodate your needs.
