Highlights

L4GA is a unique approach to improving literacy that pairs community-driven action with research-proven instruction. In its first round, funded by a federal Striving Readers grant of \$61.5 million, 38 school districts partnered with early learning and care providers as well as community organizations to implement community efforts and improve classroom instruction. Paulding County School District was awarded \$4.5 million.

Highlights

The second round of funding for Georgia totaled \$179,174,766 over five years to continue the L4GA initiative. The award takes into account the poverty level of a community, the percentage of students reading below grade level, the recent rate of growth in the number of students reading above grade level, and whether a school is identified for support from the Department of Education's School Improvement team. Paulding County School District was awarded \$19.5 million for the five-year grant period.
