

# Georgia DECA Only Testing Events (Online)

## General Information

This year Georgia DECA has provided an opportunity for students to experience competing in a DECA competitive event! The Online Testing Process will test your knowledge and allow you to get recognized before other DECA members from across the state.

A student can only take **one** test. There will not be any additional testing times past the testing window. **I will provide you with a sample test to help you prepare the event you chose.**

## Participant Requirements

1. Students must be paid, affiliated members of DECA.
2. Students must be registered and paid by the deadline.

## Online Testing Events

- Advertising Services
- Buying & Merchandising
- Entrepreneurship
- Free Enterprise Economics
- Marketing Math
- Selling
- Middle School Marketing (for Middle School students only)

**Top 10 winners from each testing event will be announced once testing closes. These winners will earn an Academy slot to ICDC and will be recognized on stage at State CDC. All participants are allowed to compete in other competitions and earn competition slots to ICDC.**

## Cost

The cost is \$5 per student. (This amount is paid by the chapter from your DECA dues)

**Email Anthony Johnson – VP of Career Development at [anthony.johnson3@outlook.com](mailto:anthony.johnson3@outlook.com) with your preferred testing area.**
