

GED Direct™

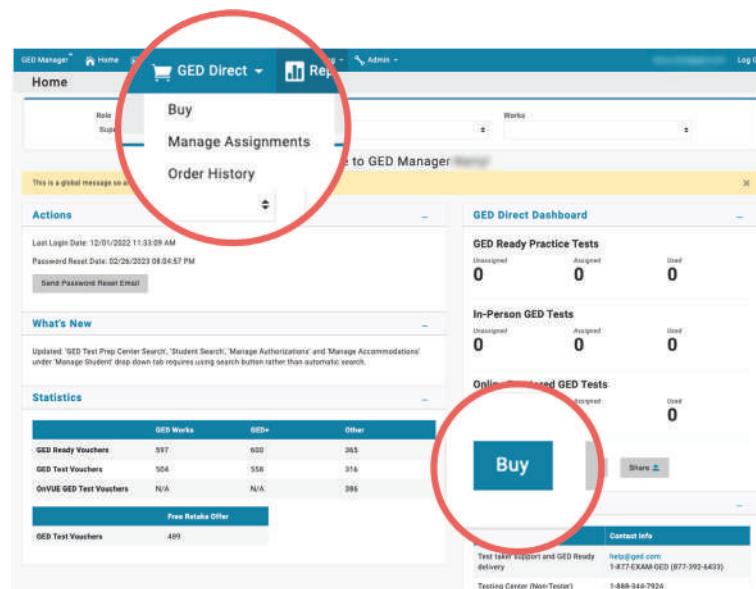

A new way to buy and assign tests directly to your students

We're excited to announce a new way for educators to purchase GED® test subjects and GED Ready® practice tests, then assign them directly to learners.

The GED Direct™ eCommerce feature within GED Manager allows you to do this without voucher codes. You no longer need to extend expiration dates or manage voucher usage in a spreadsheet. Instead, you can assign GED Ready practice tests or GED tests to your students' accounts and easily track usage via the reporting functionality in GED Manager.

GED Direct allows you to purchase all your tests at once – GED Ready practice tests, in-person GED tests, and online proctored GED tests. You can use a credit card, VUE credit terms, or ACH/check (PO process).

Learn more about this new tool at https://ged.com/educators_admins/teaching/ged-direct/

*As of Jan. 1, 2023, your purchases can be made through GED Direct™ or GED Marketplace™. GED® test vouchers will no longer be available through the Pearson VUE Voucher Store.

GED Marketplace™

If purchasing GED Ready® practice tests or GED® tests through GED Manager is not an option for you, then our GED Marketplace will meet your needs. Visit our GED Marketplace site to purchase GED Ready practice tests and GED test vouchers to distribute to your students. You can use a credit card, VUE credit terms, or ACH/check (PO process).
