## Intensive Reading Contract

Dear Student and Parents/Guardians:

In the event that Seminole County Virtual School (SCVS) identifies your student as needing additional support in reading, our Reading Resource teacher and Academic Interventionist will prescribe an individual Reading Plan which will include weekly mandatory face-to-face sessions, enrollment in our Intensive Online Reading Course and other possible interventions based on need. Transportation will not be provided for these sessions.

All face-to-face sessions will occur on-campus weekly throughout the school year. During these sessions, students will work in collaborative groups learning reading skills and applying reading strategies. Students will be monitored on a regular basis and receive progress reports throughout the year.

Your signature below acknowledges your understanding that your child may need to attend a weekly face-to-face reading session, if they are identified as needing additional support on diagnostic assessments and/or records. In addition, arranging transportation to and from these sessions, in a timely manner, is the responsibility of the attending student and/or myself as their parent/guardian. One excused absence is allowable during each semester.

Failure to meet these requirements will result in a letter grade of 'F' and possible removal from SCVS.
