- ___ 9009200A iChallenge- Semester 
- ___ 9009200B iChallenge- Year long 
- ___ 8200520 iConnect- Semester 

Important Notes

Math

Students who score a mid to high 3, or a 4 or 5 on the spring FSA will be placed in accelerated (advanced) math. Parents, if you do not wish for your child to be placed in an accelerated (advanced) math class, it is your responsibility to email your child's guidance counselor BEFORE May 6, 2022. After that date, Math placement will be very difficult to change.

*High School Credit

No High School credit courses can be dropped after the first quarter. This includes Algebra 1 Honors, Geometry, Digital Information Technology, and Spanish 1. Students taking Algebra 1 Honors must take Geometry in 8th grade and 4 additional math credits in High School. Please review the math progression plan on the back of the parent letter.

iSeries Courses

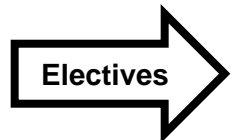

The Student Progression Plan requires iJourney (semester course) and either iConnect (semester course) or iChallenge (semester or year long course).

Rock Lake Middle School presents the **Raider Triple Crown Challenge**: Over the course of your middle school career, take **iJourney**, **iConnect** and **iChallenge** and

- Earn an overall A, B, or C grade for each course
- Take certification exams in all three courses
- Pass at least one certification exam in each course (3 certifications) to earn the *Crown* level
- Pass 4 certifications to earn the *Crown with Garnet* level
- Pass 5 certifications to earn the *Crown with Sapphire* level

Meeting the **Raider Triple Crown Challenge** will earn distinction at the eighth grade awards assembly and honor on the future Raider Triple Crown Challenge Wall of Fame.

Elective Courses

Please rank your choices 1-6 below. Electives are based on interest and availability in the master schedule and are not guaranteed.

- 15080701 Physical Education- Semester
- 15080702 Physical Education- Year long
- 1302000 Beginning Band- Year long
- 1302010 Concert Band- Year long
- 1302020 Advanced Band- Year long
- 1303000 Chorus 1- Year long
- 1303010 Chorus 2- Year long
- 0101300 Art 1- Semester
- 0101310 Art 2- Semester
- 2104010GS Leadership- Year long
- 1006000 TV Production 1- Semester

FSA

If you are below proficiency on the FSA math/reading tests, you may be placed in an intensive class, which will take the place of an elective.

Virtual Courses

For the 2022-23 school year, SCPS will provide full-time virtual instruction options to students in grades K12. Enrollment will be open from April 4, 2022 to July 29, 2022.

For more information, please see your school Counselor or visit <http://virtuelschool.scps.k12.fl.us>

PIT Crew

A Peer Inclusion Team that consists of students who provide support primarily to students with disabilities, or any students who may benefit from additional assistance. PIT Crew students can work in Curriculum Project classrooms (see Ms. Golubock in 318) or in ELA, Science, Social Studies or Math classrooms (see Mrs. Singer in 925). If you are interested, submit a completed application to Mrs. Wysong.

Yearbook

If you are interested in taking Yearbook class, please submit a completed application to Mrs. Levkulich in room 208.

Physical Education

A semester of PE is required; however, in some cases students may be schedule in year long PE based on scheduling constraints.

Rock Lake is the proud home of **Digital & Emerging Technologies**, an SCPS Program of Exploration (P.O.E.) which provides students with elective courses in current technologies. These courses are designated with  .

Please sign and fill out the information below when you have reviewed the academic and elective course selections.
