Student-Athlete Eligibility Packet

Student	name

_____Grade_____

Physical Date (Date of examination)_____

Dear Future Gray Athletes and Parents,

Welcome to Gray Middle School sports! If your child has received this packet they have expressed an interest in trying out for one of our extracurricular sports. This packet contains all the information we will need to allow your student to attend intramurals and tryouts.

Please look over this packet and fill it out *completely*. If there is any missing information the form will be returned to you and your student will not be allowed to attend practice. Each athlete will need a current physical. If the physical is dated before **June of 2021** they will need to get a new physical to ensure that they will be eligible for the entire season. **POP WARNER physicals and the health department SCHOOL ENTRY physicals are NOT ACCEPTED**. Be sure to include your insurance information. Each athlete is required to have health insurance; if you do not have insurance you may purchase school insurance. Please see the front office for more information about school insurance or visit www.schoolinsuranceofflorida.com.

Each sport will have a specific deadline for turning in paperwork. If your student athlete misses that deadline, or if their paperwork is not complete by the deadline, they will not be allowed to participate in that specific sport. This, however, does not exclude them from participating in a future sport that same school year.

All sports will consist of a few weeks of intramurals, followed by tryouts and the interscholastic season. Every eligible student is allowed to participate in intramurals and the coach for each sport will choose the interscholastic team after tryouts. Attendance throughout intramurals is a necessity if your student would like to play on the interscholastic team. Please be sure you are there to pick up your student on time. **Two late pickups will result in removal from the team**. Check the athletic calendar on the school website for practice times. Practice times are subject to change though, so please have your student listen to their coaches and to the announcements for schedule changes and check the calendar on a regular basis.

The coaching staff here at Cecil E. Gray Middle School and I look forward to working with you and your student athletes. Please do not hesitate to contact me if you have any questions or concerns.

Thank you and GO GATORS!

LAKE COUNTY SCHOOLS

SPORTS SCREENING PHYSICAL EXAMINATION

NOTICE TO PARENT/LEGAL GUARDIAN

Lake County Schools recommends that your child have a yearly comprehensive physical examination by your personal physician. The screening sport physical, given by volunteer doctors, are not intended to replace your child's regular health maintenance. It is the responsibility of the parent/guardian to make the choice for medical care regarding your child. It is your clear understanding that participation in athletic activities creates a risk normally associated with such activities and that the risk increases as the sport becomes more vigorous and/or involves bodily contact.

PARENTAL/LEGAL GUARDIAN & CHILD/WARD NOTICE OF RESPONSIBILITY & CONSENT FOR PARTICIPATION As a parent/legal guardian of a student who will be participating in any Lake County School Board (LCSB) athletic activity, your authorization to permit your child/ward to participate requires you understand and agree to certain rules, responsibilities and regulations.

1. Athletics is a sports activity that will require your child/ward to maintain satisfactory grades and behavior in accordance with the LCSB Code of Conduct and school/team rules. Once a child is approved for sports activities you hereby give consent for participation.

2. You understand if a parent, guardian or student falsifies any signature or information on the sports screening physical examination form, the child/ward will be declared ineligible to participate in any Lake County interscholastic activity for one full calendar year from disclosure date.

3. You understand that your child/ward must have a physical evaluation each year and be certified as being physically fit to participate in interscholastic athletic programs. A physical evaluation shall be valid for a period not to exceed one calendar year from the date of practitioner's signature. The student cannot be allowed to participate in any activity related to interscholastic athletic programs until the fully executed physical evaluation form is on file in the school.

4. You further give permission for appropriate school staff and their designees to render medical treatment or authorize medical treatment by a hospital and/or doctor and agree to hold LCSB and its employees harmless in the administration of such assistance.

5. You understand that if the child/ward consults a medical physician concerning any injury received in a LCSB sponsored athletic practice or interscholastic sports contest, written medical approval must be obtained from a physician prior to the child/ward's further participation in activity. You understand that a written doctor's note on the doctor's stationary or prescription pad must be given to the athletic trainer or athletic director before that student will be allowed to resume activity.

6. You also consent for your child to be transported in connection with participation in athletic activities. You fully understand that this consent is given knowing that your child/ward's participation in approved activities may, from time to time, require travel out of state as well as out of and within Lake County. You realize, and agree, that the travel may be by private or publicly owned vehicles, bus, passenger car, on foot or various other means, as deemed appropriate and approved by the school principal.

7. Athletics require that your child/ward and you commit to timely arrival and departure from the activity in accordance with the directive issued by the school principal or coach designated by the school principal to direct said activities. Your failure to timely pick up your child/ward may result in your child/ward's exclusion from the athletic activity.

8. You do authorize and give permission to the school principal, coaches, and school representatives to release your child at the conclusion of the athletic activity. You do authorize and give permission to your child to individually determine his/her method and means of returning to your home upon conclusion of any daily athletic activity including but not limited to his/her walking, riding with a friend, or any other means of transportation he/she chooses. If you have elected to give your child/ward permission herein, you hereby release the LCSB, its employees, agents, and assigns, from any and all liability or claim that may arise from or after your child/ward leaves the athletic activity.

9. You do grant permission to the school principal, coaches, school representatives the right to photograph and/or videotape your child/ward and further to use name, face, likeness, voice and appearance in connection with exhibitions, publicity, advertising, and promotional materials without reservation or limitation.

10. You do grant permission to LCSB to release any and all athletic injury information relating to the named athlete to the Sports Medicine Program Injury Registry.

11. In addition to the routine sports screening evaluation required by FHSAA Bylaws, you understand and acknowledge that you are hereby advised that your child/ward should undergo a cardiovascular assessment, which may include such diagnostic tests as electrocardiogram (EKG), echocardiogram (ECG) and/or cardio stress test provided by your personal physician.

12. You further hereby authorize the use or disclosure of your child's/ward's individually identifiable health information should treatment for illness or injury become necessary. You understand that this authorization is voluntary and that you may revoke it at any time by submitting the revocation in writing to your child/ward's school principal.

13. Hazing is defined as any method that causes, or is likely to cause, bodily danger or physical harm, or serious mental or emotional harm to any student. You understand activities that expose individuals to embarrassment, abuse, ridicule, or humiliation will not be tolerated and are subject to enforcement under the LCSB Code of Conduct, depending upon the seriousness of the violation.

14. You and child/ward have read and discussed the LCSB Code of Conduct and acknowledge that she/he may be disciplined or removed from a team if any of the provisions are violated.

I hereby acknowledge and certify that I have read the sports screening document. I understand and agree to be bound by its terms.
