

Pine View Middle School
An IB MYP World School Magnet
Math Year 1
Kelly Grills

Middle Years Programme (MYP), mathematics promotes both inquiry and application, helping students to develop problem solving techniques that transcend the discipline and that are useful in the world beyond school. Students in the MYP programme learn how to represent information, to explore and model situations, and to find solutions to familiar and unfamiliar problems, all while honoring the Florida Mathematics Standards.

MISSION STATEMENT

- Our mission is to provide a rigorous, world-class education which inspires students to become active, compassionate, and collaborative lifelong learners who understand and respect other people and their differences.

MIDDLE YEARS PROGRAMME POLICIES

- All MYP schools have four policies in place by the time of authorization. All policies are published on the PVMS website (<http://pvms.pasco.k12.fl.us/ib-myp-policies/>) as they are created.
- Academic Honesty Policy: This policy outlines the expectations of integrity and honesty for all stakeholders at PVMS.
- Language Policy: This policy outlines support provided across the school for students who are not yet proficient in English.
- Inclusion Policy: This policy defines how the MYP is inclusive for all PVMS students.
- Assessment Policy: This policy outlines procedures to ensure that assessment supports student learning. A video on assessment in the MYP is available on our website under IB MYP Videos

BEHAVIOR EXPECTATIONS

Panthers strive to display their P.A.W.S.!

for assessments graded using the MYP rubric

Rubric score	8	7	6	5	4	3	2	1
PVMS Grade	100	94	88	82	76	70	64	58

A rubric score of 0 equates to a PVMS score of 0

Grading Scale

- *Used for all assignments, assessments and final grades.
- *Not used for performance based, summative assessments

90-100%	A
80-89 %	B
70-79 %	C
60-69%	D
0-59%	F

55% Summative (Common Summative Assessments (CSAs), projects & performance assessments)

35% Formative (Common Formative Assessments [CFAs] and other evidence of standards based learning)

10% Practice (Homework/Classwork & Activities)

Students will have a variety of performance & traditional assessments during the year.

This course has a state FSA exam which will determine class placement for the following school year.

Math Year 1

GRADING POLICY

It is an expectation that all assignments are completed on time. Multiple opportunities will be given for students to show mastery of the standards, by student request and through completion of previous missing formative assignments, as required by the teacher.

TEST RETAKE POLICY

To complete a test retake, completion of ALL correlating unit assignments and test corrections must be submitted. Test corrections that show lack of proficiency towards the standard(s) may result in need for further remediation before retesting. All retakes will be administered at a time scheduled with their teacher. The student will receive the better score.

ABSENTEE POLICY

YES, WE DID SOMETHING IMPORTANT WHILE YOU WERE ABSENT. Excused absences guarantee students the right to make up any and all assignments assigned on the day[s] of absence at full credit. The student is responsible for asking the teacher(s) for assignments and make-up tests within two (2) class meetings with the teacher. The teacher(s) shall specify a reasonable period of time for completion of make-up work. In no case shall the time be less than one full calendar day for each day missed. Work due to be turned in on the day of the absence will be turned in upon return and be given full credit. The principal or designee shall have the authority to modify these conditions with a confirmed hardship. Students who have been assigned out-of-school suspension (OSS) may make up all missed assignments and tests for full credit. *(Student Code of Conduct page 9)*

TECHNOLOGY

Students are expected to abide by all school and district digital safety rules and guidelines. Failure to do so will result in said student being banned from technology in class. While we encourage students to bring their own devices to school, however, using them in class without teacher permission will result in a behavior step. Students will be required to use technology both at school and at home.

CLASS RESOURCES & HOMEWORK

RESOURCES

Students and parents should be signed up for our class **Remind** account. This is used to communicate upcoming assignments, events, and reminders. The class code can be found on the front of this syllabus.

MyStudent is used to report student grades and to track assignments, as well as, progress and report cards..

Classroom resources and materials will be uploaded to **MyStudent** and/or **Mylearning**.

HOMEWORK

Students should expect to have some math homework on most nights. Success in mathematics requires student participation and practice.

• **Subject Area Guides** that list an overview for each class and show the interconnection of the Middle Years Programme and the Florida Standards are posted on the PVMS website under the IB MYP tab.
