## SPP Indicator 14 Now Available

The SPP Indicator 14 Post School Outcome Data Collection web application is now available on our website and can be accessed at the following link: [Post School Outcome Data Collection](#). The *Hbug Login* and *Password* is required to log into the Post School Outcome Data Collection web application. To locate the *Hbug Login* and *Password*, simply log into *iePoint > 2016* and click on *File -> System Maintenance -> View Site Configuration*.

Districts selected to administer the survey in 2017 will be offered the choice to use the existing data collection tool or use an expanded survey that will allow youth to provide additional information on their post-secondary education, employment and independent living, as well as how high school prepared them for adult living. To see if your district will be participating in the Post School Survey, click the following below:

## 2016-2017 I-Star Student and Personnel Claims Training

Harrisburg Project will begin the Student and Personnel Claims Training on Tuesday, April 11<sup>th</sup>. We do recommend that all staff involved in completing the student and personnel claim register for one of these sessions. Since the agenda is the same for each session, please register for only one session.

### Student and Personnel Claims Training Agenda:

Transmission Dates  
Key Components of Claims  
Methods of Computing Days  
Calculating the Claim

To review the training schedule or to register for an online claims training session, click the link below:

[Event Registration](#)

**In order to get the most out of the online training session, please print the [I-Star Claims Packet](#) prior to your training.** This packet will have valuable information to assist you with preparing the claim.

## Event Registration

Registration for all events, both online and at location may now be found at the following link:
