Harrisburg Project is following all guidelines set forth by ISBE regarding the current situation with the COVID-19 virus. To ensure the health and safety of our staff and families, we expect to be working remotely as of tomorrow, March 17th. During this time period we will be unavailable to answer calls, however we will respond to voicemails left at 800-635-5274 or emails sent to support@hbug.k12.il.us.

The remaining online webinar trainings for March have been cancelled. These trainings will be rescheduled for future dates. Once these trainings have been rescheduled, please register for a new date on the [Events](#) page.

At this time we are unsure how the COVID-19 will effect the in-person classroom claims trainings. In the event that these trainings are cancelled or rescheduled each registered participant will receive an email. The [Events](#) page will also reflect any changes.

At this time, we are awaiting further guidance from ISBE regarding the upcoming Dec 1 Child Count Certification deadline. Once ISBE releases updated deadlines we will forward this information to our client list.
