Hudson High School Cobras and Family,

With testing season just around the corner, we wanted to make you aware of all of the important tests we have coming up. Students and parents should go over this schedule together to see when they will take important tests. You will get additional emails in the coming days/weeks about more specific times and dates, so please make sure you are checking your emails for that. The students' teachers will also be getting this information, so please encourage your students to communicate with their teachers about when they will be testing. If you have any questions about testing, please reach out to our testing coordinator, Mr. Simonds at [rsimonds@pasco.k12.fl.us](mailto:rsimonds@pasco.k12.fl.us)
