

HISTORY MYSTERY THEATRE AUDITIONS

What is History Mystery Theatre? Rescheduled for February 9

History Mystery Theatre is a production based on the 6 Pillars of Character. It is a cross between a dinner/dessert theatre and an interactive mystery “who dunnit”.

Who can audition?

If you have already auditioned, you will not have to audition again. You will receive a calendar of rehearsal dates. If you auditioned before, but are not able to participate please see Mrs. Anzualda

Any student in grades 5 – 8 can audition for primary roles.

How do I prepare to audition?

To audition, you should do 3 things. 1. Research a person in history that is known for demonstrating good character. 2. Write a short first-person speech about the person, his or her role in history, and what positive character trait he or she had (and how that impacted their role in history). 3. Practice the speech and be prepared to give it at the auditions.

What else?

Everyone in the production will need to attend rehearsals and will be responsible for providing his or her own costume. There will be a need for stage hands and technical assistance, as well. **If you are interested in behind the scenes jobs, contact Mrs. Anzualda.** Adult volunteers are needed, as well. Those adults involved in the production will receive free admission for their families.
