

HISTORY
Union Grove High School
Mrs. Okrutny

Welcome to History. The following materials are needed daily in class in order to help ensure a successful year.

- **3 or 5 subject spiral notebook**
- **Loose leaf notebook paper (You will Not tear paper from the spiral INB)**
- **Masking tape or glue stick**
- **Ink pen (preferable a multi-color Bic pen as multi-colored note taking will be beneficial at times in class.)**
- **Color pencils or crayons (some will be provided in class but there will be times when you will need these for homework assignments)**

Also, we will constantly be in need of the following materials and any donations you are able to help with will be greatly appreciated.

Kleenex
Paper towels
Disinfecting wipes and sanitizer

I look forward to working with all my students and parents this year! If you have any concerns, please contact me at aokrutny@henry.k12.ga.us Also, please make sure to activate your parent campus portal/ Infinite Campus codes. This is an excellent way to keep track of student progress and class activities.

Thank you,

Amanda Okrutny
