

Home Language Survey

The state requires the district to collect a home language Survey for every new student. This information is used to count the students whose families speak a language other than English at home. It also helps to identify the students that need to be assessed for English language proficiency.

Please answer the questions below.

Students name _____

1. Does anyone in your home speak a language other than English?

Yes _____ What Language? _____ No _____

2. Does your child speak a language other than English?

If the answer to either question is yes, the law requires the school to assess your child's English language proficiency.
