

## Weekly Homework March 21<sup>st</sup> - March 28<sup>th</sup>

**Due: Friday, March 28th**

### Reading

**\*Read at least 60 minutes** (Suggested: 15+ minutes for a *minimum* of 4 nights)

Record the title of the book and the number of minutes in the Comment Box of your agenda (above the parent signature line).

**\*Complete the Language Arts sheet in your folder.**

After completing, have an adult review your answers with you.

### Spelling

**\*Complete at least 2 activities on Spelling City or the Sight Word website.**

Write your Spelling activities in your agenda Comment Box or print out the certificates.

(If you do not have access to a computer, do written activities with your words- refer to the suggested activities sent home earlier).

**\*\* If you need practice with your Spelling Sight Words, practice word lists 1-24 on:**

### Math

**\*Complete at least one 15 minute session of Math practice.**

Record your activity and time (at least 15 minutes) in the Comment Box of your agenda.

Your fact fluency goal this quarter is **40** facts in 3 minutes. If you are not making that goal, you will want to spend more time/ additional days on Reflex Math or doing other fact fluency practice.

If you are consistently getting 40+ math facts in three minutes, you may choose to work in the math section of Moby Max rather than Reflex~ record your activity and time. If you do not have access to a computer, practice facts using flashcards, worksheets, etc (at least 15 minutes)- record in your agenda.

**\*Complete the Math page in your folder.**

After completing, have an adult review your answers with you
