

## How do I create an account in the Canvas Parent app on my Android or IOS device?

In the Canvas Parent app, you can create a Canvas observer account to view student course information. If you already have an account, you can log in to the Parent app.

To link yourself to a student, you will need to enter a student-specific pairing code that will link you to the student. Pairing codes are valid for seven days. Students can generate pairing codes from their Account > Settings. Teachers can also generate pairing codes.

## How do I install the Canvas Parent app on my device?

Download the Canvas Parent app from the IOS App Store or the Google Play Store

## Open App

On your mobile device, tap the **Canvas Parent** icon.

## Find Your School

To find Clayton County Public Schools, tap the **Find School** button.

# Find Institution

Enter Clayton County Public Schools as your institution in the text field [1]. When the full name appears in the search list, tap the name [2].

You can now log in using your Canvas log in info.

If you do not have an account, please follow the instructions below.
