Create Seminole State Account:

1) Go to: https://www.seminolestate.edu/
2) Click on the waffle icon on the top right side.
3) Choose the MySeminoleState app.

4) Go to Sign in, then click reset password.

5) Then you will click on Forgot Seminole State Account Username.

Self Service Password Reset

The **Self Service Password Reset** tool can be used to reset the password to your Seminole State Account. Your Seminole State Account is used for login to campus services such as:

MySeminoleState
Student Email
Canvas
Campus WIFI
RaiderConnect
Campus Computer Login

Current and Former Students, Faculty, and Staff can login here to change their password or update their security questions.

Those that do not know their Seminole State Account Username or need to reset the password can use the "Forgot" links at the bottom left of the window below to regain access to their account.
