1	MS. NAGOURNEY: Good evening. I
2	declare this public hearing to be open. Am I
3	loud enough?
4	My name is Jennifer Nagourney.
5	I am the Executive Director of the Charter
6	School Office of the Delaware Department of
7	Education, and I've been appointed by the
8	Secretary of Education to conduct this public
9	hearing. The Delaware Academy of Public
10	Safety and Security has submitted an
11	application for the renewal of its charter.
12	The recommendation of CSAC was renewal with
13	conditions.
14	At this point, I would like to
15	introduce my partner.
16	MS. HICKEY: My name is
17	Catherine Hickey. I'm the Deputy Attorney
18	General with the Department of Justice of
19	Education, but I represent the hearing officer
20	in this matter. Thank you.
21	MS. NAGOURNEY: We are expecting
22	Donna Johnson, Executive Director of the State
23	Board of Education momentarily. She is
24	delayed on her trip from Dover, and she will

1 be here as soon as she can -- from Dover. This joint public hearing is 2 being held by the Department of Education and 3 4 the State Board of Education to assist in the decision of whether the charter should be 5 6 renewed. 7 This hearing also provides the schools and the public with an opportunity to 8 provide comments for the record. 9 10 I would like the record to 11 reflect that the notice -- that notice of the 12 time, date and place of today's public hearing was published in The News Journal and the 13 In addition, notice was 14 Delaware State News. 15 posted at the Charter School Accountability 16 Committee's official place of business, on the 17 Department of Education's official Website, 18 and on the State Public Meeting Calendar on 19 the State's official Website. A court reporter is present so 20 21 that a hearing -- sorry, a record of this hearing can be made. It will be necessary for 22 23 each speaker to clearly identify himself or 24 herself before beginning to speak so that the

1	court reporter will we able to note who you
2	are. The record of this hearing will be
3	provided to the Secretary of Education and
4	members of the State Board of Education,
5	together with any written or electronic
6	comments received at or before this hearing.
7	We will proceed in the following
8	manner: First, we will hear from any
9	representatives of the charter who wish to
10	comment. Then we will take comments from
11	anyone else who desires to speak. I have in
12	my hand the sign-up sheet for speakers. Is
13	there anything else who would like to sign up
14	or speak? Okay.
15	We ask that you keep comments to
16	three minutes for individuals, five minutes
17	for groups. I tend to be as liberal as time
18	and reason allow accepting comments. However,
19	I do reserve the right to limit comment if it
20	is purely repetitive or cumulative.
21	At this point, we welcome
22	comments from any representatives of the
23	school.
24	MR. HUGHES: Good afternoon.

1 Good afternoon. My name is Charles Hughes. want to thank the Charter School 2 Accountability Committee for their fair and 3 4 exhaustive review of our application for 5 charter renewal. We are proud to have this committee recommend our charter for renewal. 6 7 The committee's public concerns for our growth and development of our academy include a 8 continued focus on academic achievement and 9 10 financial stability. 11 Two areas where our record 12 reflects an absolute attention toward 13 improvement and growth, to which, when voting 14 to renew the charter, the committee gave 15 testimony. 16 DAPSS is a unique high school 17 We are teaching cadets to save lives program. 18 and push them to achieve academically. It is a readiness blend -- career and college --19 with great potential and promise, and we 20 21 applaud the Charter School Accountability Committee for recognizing this effort and look 22 23 forward to the support of the State Board of 24 Education.

We are requesting and confident that the State Board of Education will support the renewal of our charter. We are proud that our school has been supported by over 30 var- -- by over 30 state responder -- first responder agencies, and believe their support brings further evidence to the State Board of Education as they move ahead in support of our charter renewal. Thank you very much. MS. NAGOURNEY: Okay. Next, Amy Novosel. MS. NOVOSEL: Hello. My name is My son, Jonah Novosel, attends Amy Novosel. DAPSS. And I just wanted to speak in support of DAPSS. We've found it to be a small school environment, which Jonah really needed. had a heart condition last year, and the staff was extremely supportive. And while he was in the hospital, he couldn't wait to get back to school and take his finals, which the teachers were very understanding about and adjusted for So for him to be a sophomore in high school and wanting to get back to school says a whole lot.

1	But another reason why I really
2	wanted to speak in support of DAPSS is Jonah
3	isn't interested in being a first responder or
4	in the public safety field, but it still works
5	for him and is helping to prepare him for
6	college. So I just wanted to make sure that
7	everyone is aware that it's a great school,
8	not just for those interested in public
9	safety, but for those who might be college
10	ready. Thanks.
11	MS. NAGOURNEY: Thank you. Mary
12	Bryant.
13	MS. BRYANT: Hello. My name is
14	Mary Bryant and I am a freshman at DAPSS.
15	(Whereupon, discussion was held
16	off the stenographic record.)

19	freshman there.
20	THE COURT REPORTER: I can't
21	hear. I'm sorry.
22	MS. MARY BRYANT: My name is
23	Mary Bryant from DAPSS Academy. I'm a
24	freshman, and public safety is one of the

classes we take there. We are learning CPR, and it is really -- it's really cool to be learning something like that, since one of the 4 things I want to become when I grow up is an And they teach us all different kinds of things, how to become a firefighter, first 7 responders, generally. And we have a fire school where we learn how to -- learn all about what the firefighters do. It's really cool to learn about this kind of stuff. It's -- you won't find it in regular schools, and it's definitely -something else that we get to do, TAC OPs. It's my first year. I've only been a part of it for a few weeks now, but so far, I'm really enjoying it. I get to do PT once a week, and we get to go to different events and we brief about them, and we have our own class and we learn a bunch of different things. And it's just really neat to be a part of something like this. Something that I wouldn't have had a chance to at my older schools or any other high school that I know 24 of. That's it.

1 MS. NAGOURNEY: Thank you. Next, Marissa Dill. 2 MS. DILL: 3 Good evening. Му 4 name is Marissa Dill. I'm a 9th grader at 5 DAPSS. So far, this year has been really good At my old school, I had a really 6 7 rough time paying attention in school or just overall succeeding. And I didn't have many 8 9 people who were there to support me. But at 10 DAPSS, the teachers really pushed me to my 11 limit and so does TAC OPs. 12 I really like it so far. The PT that we attend is -- it's hard, but it helps a 13 14 lot. And I just like to try my best. And at 15 my old school, it wasn't very -- the teachers 16 didn't really show any effort into pushing me 17 to do my best. But at my school that I go to 18 now, they push me. They really want us to succeed, and they really -- you can tell that 19 they like their job. They do a good job at 20 21 it. And that's all. 22 MS. NAGOURNEY: Thank you. 23 Tyler Stern. MR. STERN: Good evening. 24 МУ

1 name is Cadet Master Sergeant Tyler Stern. 2 am a senior at the Delaware Academy. been there since the doors opened in 2011. 3 Ι 4 am also part of the Tactical Operations 5 Command. From my experiences, I have enjoyed 6 every single moment I've been at DAPSS. 7 have received training and certifications I would not have received at any other public 8 9 high school. 10 As part of TAC OPs, I have been 11 certified in many of the IS certifications, 12 including effective communications. 13 currently, we are being certified in emergency 14 We have an EMT program where we're planning. 15 actually going to be certified, and the goal is to be certified at the national level. 16 17 not just within the state of Delaware, but any 18 other state in the country. So that's something to be proud 19 Most schools don't offer that. 20 of. They have 21 just the normal core classes, natural studies, reading, science. Well, we have public safety 22 23 That's something that makes our courses. 24 school unique. We receive training with

1 criminal justice dispatch. We go through the New Castle County Junior Police Academy. 2 Fire school for 11th grade, you 3 4 actually go and do the fire school -- they have a fire company that donates -- not 5 donates, but volunteers their time and comes 6 7 out and monitors us and instructs us on how to do this, how to do that, how to do the 8 ladders, how to do the ropes, how to do the 9 10 hoses. And that's something you don't get to 11 do every day. 12 9th grade year fire prevention, you learn CPR, and we've actually had cadets 13 14 use that training out in the real world 15 already. We've had 12 kids -- 12 cadets get the lifesaver award. Some of them aren't --16 17 most of them aren't with the fire company. 18 Most of them were just out there in the everyday world and they saw an emergency 19 happen, unfold right in front of their eyes 20 21 and they acted. That was part of their training. 22 23 So within The Delaware Academy 24 of Public Safety and Security, they actually

1 show you what to do in the first responder 2 field and give you opportunities to do it. 3 Thank you. 4 MS. NAGOURNEY: Thank you. Karina Perez. 5 Good evening. MS. PEREZ: 6 7 name is Karina Perez. I go to the Delaware Academy of Public Safety and Security. 8 9 currently in my sophomore year, and, honestly, 10 I love my school. I love everything that it's 11 I love all the certifications that we 12 take, because it -- honestly, it pushes us to be better than any other school out there. 13 We 14 get so many more certifications, so many more 15 things that people -- when you're in college, 16 you can add to your applications and your 17 resumés that make you stand out from any 18 other -- any other kid that applies. 19 You can -- with TAC OPs, you get so much more certifications. You get all the 20 21 FEMA certifications you take when you are actually going through public -- police 22 23 academy. You already have those. You can --24 you take all the fire school, you take EMTs.

You just it's a beneficial school for
everybody and just in general. And I love
my school.
So with TAC OPs, I it pushes
you to be the best you can be. It is a little
stressful, but at the same time, it's to push
you to be the best of your ability. And it's
an amazing program. It's an amazing school.
And why wouldn't it want why wouldn't we
renew the charter? Why not?
So that's it. Thank you.
MS. NAGOURNEY: Thank you.
Is there anyone else who desires
to speak? That's a tough act to follow. If
not, the hearing is now closed.
I would like to thank you all
for participating today. The secretary will
consider your comments as part of the
decision-making process. Your comments will
also be available for the State Board to
consider. Thank you.
(Concluded at 5:34 p.m.)
