- I will regularly attend all classes as scheduled by FCHS and maintain passing grades (70 and above).
- I understand that there is no guarantee that my required classes can be scheduled to allow for a shortened day schedule.
- I will leave campus immediately after my last class **and remain off campus** until the end of the school day. I understand that transportation is my responsibility.
- I will follow the Code of Conduct, Attendance Policy, and FCHS rules as listed in the Handbook.
- I understand that if I have ISS as a consequence, it will be for the entire school day (7 periods of 4 on block days).
- I understand that a shortened school day may negatively impact my GHSA eligibility, my NCAA eligibility, and/or college acceptance. I accept responsibility for contacting these organizations/schools to determine if a shortened school day is an appropriate decision for me based on my postsecondary plans, my GPA, and my HOPE GPA.
- I accept responsibility for obtaining information about graduation, graduation requirements, and all other related deadlines.
- I understand that IE2 is a privilege and **can be revoked**. Failing classes will result in IE2 being revoked and being placed in courses required for graduation.
