**PART 4: CERTIFICATION - SIGNATURE AND SOCIAL SECURITY NUMBER: ALL HOUSEHOLDS COMPLETE THIS PART.**

- All Income Eligibility Forms must have the signature of an adult household member.
- The adult household member who signs the form must include the **last four digits** of his/her Social Security Number **IF** the participant is eligible for "free or reduced" based on household income. Section 9 of the National School Lunch Act requires that unless the participant's SNAP (food stamp), TANF case number is provided or the participant is a foster child or homeless, you must include the last four digits of the Social Security Number of the household member signing the statement, or an indication that the household member signing the statement does not possess a Social Security Number. Provision of the last 4 digits of the Social Security Number is not mandatory, but if a Social Security Number is **not provided** or an indication is not made that the adult household member signing the statement does not have one, the statement cannot be approved. The Social Security Number may be used to identify the household member in carrying out efforts to verify the correctness of information stated on the statement. These verification efforts may be carried out through program reviews, audits, and investigations and may include contacting employers to determine income, contacting a SNAP or TANF office to determine current certification for receipt of SNAP or TANF benefits, contacting the State Employment Security Office to determine the amount of benefits received and checking the documentation produced by the household member to prove the amount of income received. These efforts may result in a loss or reduction of benefits, administrative claims or legal action. If he/she does **not** have a Social Security Number, check the "I do not have a Social Security Number" box.
- If you listed a **SNAP** or **TANF** case number or the participant is a **Head Start, ECAP, Foster** or **Homeless** child, the last four digits of a Social Security Number **is not** needed.

**SPONSOR USE ONLY – Eligibility Determination: To be completed by Child Care Representatives ONLY.** (1) Complete total household income and size section. Compare total Income to *Household Income Eligibility Guidelines*. When household incomes are listed from different pay persons, you must convert all income to yearly income using the conversion table listed. Follow other instructions as indicated. (2) The review/effective date can be made retroactive back to the first day of participation in the CACFP as long as it occurs in the same month this form is received.

The Richard B. Russell National School Lunch Act requires the information on this application. You do not have to give the information, but if you do not submit all needed information, we cannot approve your child for free or reduced price meals. You must include the last four digits of the social security number of the primary wage earner or other adult household member who signs the application. The social security number is not required when you apply on behalf of a foster child or you list a Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF) Program or Food Distribution Program on Indian Reservations (FDPIR) case number or other FDPIR identifier for your child or when you indicate that the adult household member signing the application does not have a social security number. We will use your information to determine if your child is eligible for free or reduced-price meals, and for administration and enforcement of the lunch and breakfast programs. We may share your eligibility information with education, health, and nutrition programs to help them evaluate, fund, or determine benefits for their programs, auditors for program reviews, and law enforcement officials to help them look into violations of program rules.
