

ALL. THIS IS VERY IMPORTANT.

Below is the follow up to what we discussed at practice last night. Please read this very carefully and all the way through, as there are important updates and reminders.

1. Here is the link to a full mock trial competition. Please watch it ALL and submit your questions/comments **by 5 PM on Sunday** to Brooke. Her email is bwhite@smithwelchlaw.com. The questions/comments should be at least two paragraphs and should let us know the main things you learned from watching this. This replaces the Saturday practice that has been cancelled for this Saturday.

2. **Attorneys:** We need your FINAL version of **your cross examination and direct examination by 5 PM Sunday**. Please send this to Brooke in a word format. All final versions will then be printed and brought to rehearsal on Monday so everyone has the same version and hard copy. If you do not have access to the Google document where your final version is, then you need to email Brooke and tell her what you need her to send you.
3. The final calendar is attached. This replaces all prior calendars. Please note that all practices going forward are mandatory and if you think you will have a conflict, you need to email Brooke a week ahead of time and get it approved. There will be no absences allowed on the day of competition or the last few practices leading up to competition.
4. If you have decided you cannot move forward with Mock Trial, **we have to know that by 5 PM on Sunday**. Our final roster is due to the State organization early next week and we have to have this finalized.
