

WELCOME TO 7TH GRADE!

**AT HERSCHEL JONES MIDDLE
SCHOOL, WE ARE READY,
RESPECTFUL, AND RESPONSIBLE!**

**Here are a few important things
to know:**

- In an effort to avoid spreading any germs, students will not be able to share pencils, colored pencils, glue sticks, etc. It's important to be sure your student has his/her own materials.
- There will be no lockers until further notice, so students will need to bring a backpack daily. We recommend sanitizing them regularly.
- Since water fountains will only be available for refilling water bottles, we ask that students bring their own water bottle so they can have access to water when they want.
- Please note that we will have regular restroom breaks during class to avoid crowds. The restrooms will also be closed during class changes for cleaning.
- There will be no bus passes allowed for students to ride home with a friend this year. You may contact the front office for more assistance if you have any questions.
- If your student chooses to wear a mask, please remember that no bandanas are allowed per the PCSD dress code. No masks with vulgar language or symbols will be permitted.
