### Ways to be successful on the test

1. Find the questions you can answer quickly. Go back to more difficult questions after.
2. If you do not know the answer, guess. You are not penalized for this. Stick with a letter for the questions you do not know. Ex. Choice B
3. Know the directions
4. Practice
5. Pace your self

6. Write in your test booklet. (Underline key words, circle the main idea, star important characters)

7. All of the information you need is right there, refer back to it.

8. Read questions first
