### **Grades:**

The following scales will be used to determine report card grades each quarter.

Grade	Percent Range	GPA	Value Definition
A	90-100%	4	Outstanding Progress
B	80-89%	3	Above Average Progress
C	70-79%	2	Average Progress
D	60-69%	1	Lowest Acceptable Progress
F	0-59%		

Report cards are to provide the student and/or the student's parents with an objective evaluation of the student's scholastic achievement, conduct, attendance and tardies. Report cards are issued quarterly for all students.

### **eSembler:**

eSembler is a web-based grade book designed to increase parent involvement by allowing parents to access their student's grades. Although all faculty members are required to post grades online, parents and students should expect that a reasonable amount of "turnaround time" is needed to grade work and post on eSembler

### **Academic dishonesty**

Our school expects students to act with integrity; therefore, academic dishonesty will not be tolerated and will be treated as a serious breach to the Code of Student Conduct. Academic dishonesty occurs when a student uses or attempts to use someone else's work in taking an exam; or submits as his or her own work essays, reports, class work/homework, laboratory notes, or other assignments prepared by someone else. It also includes assisting a peer in such acts. In such instances when this occurs, the teacher will make the determination of a grade and/or academic penalty or the incident can be reported to the school's administration. The consequences may include, but are not limited to, the following: rewriting of the assignment, completion of another exam/assignment, a zero percent grade for the exam/assignment, loss of class privileges, or in-school suspension. (see attached Academic Honor Code)

### **Attendance and make-up work**

It is the responsibility of each student's parent or guardian to explain his/her student's absence within two (2) days upon returning to school. The parent will be required to justify each absence and that justification will be evaluated based on the criteria listed in the Student Code of Conduct that defines excused and unexcused absences. Failure to provide requested documentation will result in unexcused absences. Excused absences guarantee students the right to make up any and all assignments assigned on the day[s] of absence at full credit. The student is responsible for asking the teacher for assignments and make-up tests within two (2) class meetings with the teacher. The teacher shall specify a reasonable period of time for completion of make-up work. In no case shall the time be less than one full calendar day for each day missed. Work due to be turned in on the day of the excused absence will be turned in upon return and be given full credit

### **Late assignments without an excused absence**

10% of the total grade will be deducted for every day the assignment is overdue.

Ex. If an assignment is turned in 1 day late, you will receive 90% credit (10% off)

If an assignment is turned in 2 days late, you will receive 80% credit (20% off)

If an assignment is later than 1 week, you will receive 50% credit (50% off)

If an assignment is not turned in at all, you will receive 0% credit

- One inch binder or folder
- 5 highlighters (green, blue, pink, yellow, AND orange)
- notebook paper
- at least four #2 pencils
- blue or black pen and one colored pen

### **Tardiness**

All students are expected to arrive on time, before the bell rings, for each class period. A student who is later than five minutes to class is no longer considered tardy, but skipping, unless an excused admission is provided. Students will be subject to classroom and school-wide disciplinary action as a result of tardiness.
