TIPS to Support My Child's Learning

- ★ Speak with your child about how using i-Ready will help them prepare for class work.
- ★ Encourage your child to take each lesson and quiz question seriously.
- ★ Emphasize "thinking before clicking," because just clicking through will not give teachers an accurate report of what your child knows.
- ★ Encourage your child to use the tools that appear at the bottom of the screen in some lessons.
- ★ Help your child identify and become familiar with the different parts of the student dashboard.
- ★ Track and celebrate your child's progress. (Aim for 45 minutes-per subject per week while passing at least 70 percent of lessons.
- ★ Contact your child's teacher about how often your child should practice at home, or with any other questions about i-Ready
