JOIN US?

This summer camp experience will expose your child to the Italian language and culture. Children who participate will learn to communicate in basic Italian expressions and explore Italy's culture through its history, music, art and cuisine that meet Delaware's State Standards for World Language. Every day of the camp will focus on La Piazza, or town square, in five different cities-Rome, Venice, Florence, Naples, and Palermo. Children will have fun discovering how the piazza affects the lives of children in Italy. Come join the fun so your child gets a true Italian experience in practically your own backyard!
