THIS WEEK'S NEWS FROM LUNALILO ELEMENTARY SCHOOL

NEW CLASS FOR ADULT LEARNERS

We are working on a partnership with McKinley School for Adults to bring a class for adult English Language Learners of all skill levels called "STAND OUT." Here are the details:

- Class would be two times per week.
- Time: 8:15-9:45am and/or 12:45-2:15pm
- First day of class: January 23, 2023
- Last day of class: May 26, 2023
- Cost: \$20.00

This class is meant to teach English through life skills (looking for work, asking for directions, buying groceries, etc.). You would be able to join at any time, but joining earlier provides more time to benefit from the instruction.

If you or anyone you know is interested in this course, please email Wendy Kau at wendy.kau@k12.hi.us

Thank you for your interest and support!

WE NEED YOUR HELP!

Our campus is being vandalized and disrespected! In the past month we have had the following happen:

- Broken windows in all of our bathrooms.
- Broken toilets due to stones being thrown into the bathrooms through the windows.
- Graffiti on our building walls and mural.
- Littering and leaving dangerous and inappropriate items on our campus.

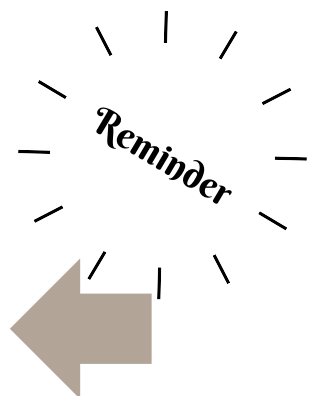

Our campus is closed to the public at all times for the safety of our students during the school day and for the security of our facilities during non-school hours. It is a shame that our school has become a target for graffiti, broken glass, litter, and dangerous items. Our school staff works hard to make sure that our school is a safe and beautiful place to learn and play in. When things like this happen, it makes areas of our campus unsafe and unclean and it shocks and disappoints our students to see our beautiful campus disrespected.

Please encourage our students and community to continue to care about our school! Thank you so much!

Be sure to remind your children that fireworks are not permitted on any DOE campus.

Pop-its and other similar type items are considered fireworks and will be treated as such. Any student with fireworks in their possession may be suspended.

We have noticed more and more students coming to school tardy every day. Please help your child be on time. Encourage them to stick to a morning routine. They can get a healthy breakfast here at school starting at 7:20am!

When you pick up your child, remember that school ends:

- 2:15pm - Monday, Tuesday, Thursday and Friday
- 1:00pm - Wednesday

While we know you have not forgotten them, it can be scary for any child to be on campus later than expected.

Thank you!

A BIG MAHALO!!!

Thank you to our Coast Guard and Rotary Club partners who made Christmas special for many of our students with gifts of toys and clothes. Every year the Coast Guard gifts a brand new toy to each student through their Angel Tree program and the Rotary Club chooses 25 lucky students to take on a shopping spree at Wal-Mart through their Santa Clothes program. Without these generous partners, we would not be able to have these wonderful opportunities for our students!

Another BIG MAHALO to Kapili Roofing Company for their generous donation of an Automated External Defibrillator (AED) that will be installed in our main office. With this donation, our campus now has two (2) AEDs located on campus for emergency use!

Thank you

PARKING REMINDERS

Please remember that we have very limited parking on campus. There are only two (2) visitor stalls available in the front (Fern Street) parking lot - those are reserved for people conducting business in the office.

- If you are dropping off your child, please use the drop off point in front of Building A.
- If you would like to park, please find street parking.
- Our back parking lot does not have any visitor parking available - all stalls are assigned.

When you park in a reserved/assigned stall, you delay an employee of the school. This could be a teacher or other staff member who is not able to get where they need to be in a timely manner.

Please respect our faculty and staff by not using assigned parking spaces. Thank you!
