A Note From the Principal...

Happy New Year Longwood Lion families!

Welcome back to the second half of our school year! We sincerely hope you had a great winter break. As we head into the second half of our school year, students will continue to participate in rigorous standard-based lessons!

Our goal is to ensure we are communicating with you in various measures to ensure everyone receives important information! One of the main ways we communicate is through your child's take-home folder. Please make sure you are checking it so you don't miss important letters or documents.

We also communicate through our Facebook page. If you are a part of Facebook, we would highly encourage you to "like" the Longwood Elementary page, the Longwood Elementary PTA page, and the Seminole County Public Schools page. We also communicate via emails through Skyward. When you get a moment, please check in Skyward to ensure that the correct email address, mailing address, and phone numbers are listed in case of emergency! Thank you in advance and we look forward to a great second half of the school year!
