Crookshank Elementary School School Advisory Council

Hugs Across America has begun a new program. 40 students will be chosen from grades 1 and 2. They will meet with the students once a week and receive a free book once a month .

Save the date: March 5th Dr. Seuss Night 6-7:30.

New Business

SAC Survey will be open during the month of March. A council member requested that the survey be printed for the council to look at. The window closes on March 30th. Council members will review and discuss at the survey.

Other Business

- a. Sebastian Middle School- updates for parents. Only certified STEM certification in the state! The goal is for students to see things as a whole instead of in isolation. Single school culture is throughout the school. Rules are the same throughout the entire school. Like we have PAWS- Sebastian has SOAR. They also strive for excellence through the Ethics of Excellence. All of this is on their website. They are also working on a continuous growth mindset. STEAM is also a huge part of Sebastian. They are putting up a greenhouse that will encourage many students to learn and contribute to their strengths. They have an Inquiry Hour, orchestra, band, guitar, drama, Jr. Thespians, and much more.

There are many events, at the school, that 5th grade parents and students can attend. Next week the Save the Date flyer will be going home with 5th grade students.

- b. Next meeting we will be discussing iReady data.
- c. SAC adjourned at 4:30. Mrs. Lloyd seconded. Next Meeting: February 20th
