

## This Week at Hagerty High School...

### *Principal's Message January 14, 2022*

Huskies, we are about to start the registration process for classes for next school year. Please see the notes in the Student Services section below for more information. It is extremely important that our students and parents carefully work together to select their classes for next year. We build our master schedule around the choices that our students make during the registration process. This process impacts jobs at our school because we must have qualified staff to teach the classes that we need. We will not allow for schedule changes at the beginning of next school year because students have changed their minds. Our classes are typically scheduled to capacity when we build the schedule.

To select the appropriate classes for next year, students need to review the Curriculum Guide, attend the Husky Highlight Curriculum Night, and talk to their teachers to select their classes. Please make sure that students also include a few elective classes as alternates because we will not be able to meet all requests and will have to place them in some of their alternative selections. Our schedule is complex, and we do our best to meet the requests that students make during registration.

Have a great three-day weekend! Go Huskies!

### *Student Services*

As we kick off **registration for next year**, if students have questions about next year's courses, they do not need to make an appointment with their counselor. Instead, they can see a counselor directly during lunch in the cafeteria on the following dates. During February, counselors will be meeting with kids one-one-one during class time.

- January 19, 20, 26, 27
- March 9, 30
- April 6, 20

#### **Class of 2022**

- One more semester to go before graduation! If you failed any classes this semester, see your school counselor ASAP to ensure you are meeting graduation requirements.
- If you have not completed your **Bright Futures Scholarship application**, please use the attached file to help you take care of this important task. You will be asked to provide your Social Security number. The system will not be able to process the application with out this information. If you do not provide your SSN, you will be given a 'pseudo number'. You will need to go back in later to update your application with the correct information.
- **Bright Futures Evaluation Reports** have been posted to Skyward. They may be accessed from the Skyward *Parent* account under the *Portfolio* tab.
- Have you submitted your **FAFSA**? If not, start [HERE](#).
- As you receive **college and scholarship acceptances**, please be sure to complete [THIS](#) form. Thank you!

Please check the [Student Services \(2021-22\)](#) Canvas page regularly for important announcements, scholarships, volunteer opportunities, college visits. and much more!
