Yearbook On Sale 30.00
Order online or found our
form on our website to print
out. If you need a hard copy
let Mrs. Barnett know.

The Pickens County Board of Education seeks input from community members, parents, and students, to help determine the most important qualifications and characteristics of the next Superintendent of Schools. We ask that you take a few minutes to complete the following confidential survey. We will consider your responses as we move forward with the superintendent selection process. Your input and support of the Pickens County School System is deeply appreciated.
