

Durbin Creek Elementary School Advisory Council

Meeting Minutes for January 15, 2019

Start: 4:02 End: 5:03

Welcome and call to order: Sherri Kuczewski

Review December 2018 minutes: motions made, approved.

SAC Parent Survey: Ms. Kuczewski presented slideshow of survey format and reviewed questions with SAC for any possible changes. We did not offer survey last year as it was an accreditation year.

Question #14 will be reworded to make question more applicable to any parent taking the survey ("my child"). Some want to reword #17 to same as others: "meeting my needs." Ms. Walker suggests that we change it to STEM. Another parent suggested there be a separate question for Social Studies and for Science. Perhaps question can be "my child participates in STEM activities"(Science Technology Engineering Math)." Reviewed all questions, deciding to keep or alter.

Parent suggested we have a question to address bullying. Ms. Walker suggested it be incorporated as a question evaluating interest in parenting workshops. "I would be interested in.... workshops/resources to support my child's social/emotional/academic needs."

Faculty/staff survey: do we want to add/delete any questions?

Surveys will be online and open for 2 weeks, including two weekends (Feb 1-15). Will offer incentive of some sort.

Principals report: LaVerne Walker shared there is to be a PTO meeting tonight; 100th day of school; Girls on the Run starting up, as does Boosterthon fundraiser. Reminded all of MLK holiday.

Questions: none

Meeting adjourned.

Next meeting: February 12, 2019. 4:00 p.m.
