January

January Birthday Recess

We will celebrate January birthdays on 1-31-18 with an extra recess at 1:25. Please contact your child's teacher by 1-29-18 if you would like to bring snacks.

Yearbooks

Yearbooks are \$35. If you would like to purchase an MCE 2017-2018 yearbook, you may visit the Jostens website to order. <http://www.jostens.com>
You may also send a check payment to school.

Six Flags Read to Succeed

Don't forget about the Six Flags Read to Succeed deadline on Thursday, February 22nd. If your child needs a new reading log, please have him/her request one from his/her homeroom teacher.

RELAYFORLIFE

- *Pickles and Fruit by the Foot \$1 each
- *Hat Day every Friday \$1
- *Chick-fil-A biscuits every Friday \$3

To receive an extra Credit grade for reading the newsletter, please send your homeroom teacher a remind101 text or note with the message:
Newsletters rock!

Tests

- Multiplication Timed Test (12's) 2/2
- Geometry Vocabulary Test 2/2
- American Revolution Test- Friday, February 9th (Study guide came home Friday, January 26th.)

4th Grade

January 29-February 2

Mulberry Creek Millionaires

Aleisha McMurtry

Cam Tyus

Shanti Patel

Students who read one million words by May will take a walk down the red carpet with the paparazzi (parents) flashing photos and take a ride in the millionaire's limo! (YES! A REAL LIMO! ☺)

Language Arts:

Grammar:

We will continue learning to read and write in cursive. If you have out-of-town family members, this would be a great opportunity to authentically practice cursive handwriting.

The IXL strands listed below are for practice on reference sources covered in recent language instruction.

Technology:

IXL.com: P. 1-8

Reading and Social Studies:

Now that we have covered the events leading up to the American Revolution, we will learn the major battles fought and create dioramas for the battles of: Lexington, Concord, Saratoga, and Yorktown.

Math:

This week we will begin our unit on Area and Perimeter. Your student will be able to determine the area and perimeter of a rectangle and a square.

Science:

This week we will continue our unit on weather. We will discuss the flow of the water cycle and the different types of clouds in our sky. We will also learn how to read a weather map and how to predict weather.
