## Parent Plus

Instilling a lifelong love of reading is a critical in helping our young people succeed in school, discover their gifts and help them develop into confident and well-rounded adults. Click the link below for tips to encourage reading at home.

[Encourage Reading](#)

## From The Teachers

Please make sure your stallion has headphones or earbuds at school everyday.

## Learning Focus

Reading:

I can use context clues and evidence from the text to understand and find Text Structure of multiple sources.

Writing:

I can develop a multiple paragraph Essay using evidence from sources and elaborating on those topics. Continue working through completion of an informational essay.

Social Studies:

I can research and explain the different people who founded and help develop Florida. Also focusing on immigration and culture in our state.

Science:

I can describe the different properties of matter. Including Solid, liquid, and gas and how matter can change its property.

Math:

I can identify multiple types of angles and solve to find the correct measure of each.

In need of:

You all have been incredibly generous in your donations to the classroom and ensuring the students have everything possible to be successful. We will update any needs on our Class Dojo's

# SANDERS Scoop!

January  
Edition

## Our Task!

You will read the novel, Charlie and the Chocolate Factory by Roald Dahl to explore the characters, themes, and other novel elements. Novels can bring light to lessons and messages for life--like things that really “matter”.

Willy Wonka is getting ready for retirement! He needs the most perfect child to take over his candy empire! You will use what you discover about matter to become the next Willy Wonka by creating a new treat! You will need to ideate a recipe for a treat that would be delicious and that would create a chemical change! You will sift through the recipes you have created and simulate the best idea by making that treat! Finally, you will also take a stand as to why you created the treat based on that character in the book. You will advocate for the treat you created and how it connects with your character’s traits through Willy Wonka’s treat sale.

## Homework

Click on 4th grade on our SMES website to view our recommended homework. Homework will be given on Friday and due the following Friday.

## Stallion Essentials

Your stallion should be greeting peers and adults by name and using good eye contact. Ask your child who is in their class and what adults they interact with daily.

**SUPER**  
Stallions  
of the month

Our Stallions have been working hard this first month of school! Each fourth-grade class will select two students every month to receive the Stallion of the Month award. In addition, there will be one student selected from each House that will be the fourth-grade House Hero!

# Super Stallions of the month

We are very proud of our Stallions! The hard work and dedication that they show day in and day out is fantastic. They have truly earned this award and we know they will continue to shine as the year goes on. They have started off the year by setting a great example for their classmates! Keep up the awesome work.
